On 7 December 1954, the Austrian and Markey of Trace and Reconstruction relatived to the from Hermann Gohn, Austrian and Taxon from Hermann Gohn from Herm

a. The Polish government has again revised as figure for delivates of Polish coal to Austria, now setting the quantity of 50,000 tens for becember 195h.

- b. Poland is once again pressing Austria for trade credits for consumer goods. 2
- c. The opposition of Polish miners to high production quotas is not the sole reason for lagging Polish coal exports. For factor has then a Soviet demand for large quantities of rough coal at a price of 5.00 per ton fob Polish-Russian frontier.

Conment. The previous Polish commitment for December had been 38,000 tons. It had been raised from an original commitment of 28,000 tons.

Comment. Austria has no intention of extending such credits until Poland has fulfilled its coal delivery quotas.

Comment. Conn did not report the quantity involved or the date the order 25X1

was placed by the Soviets. Poland has been selling this coal at much higher prices, e.g., \$26.00 per ton
